MEMORANDUM FOR GRANTEES

FROM: AIR FORCE OF SCIENTIFIC RESEARCH (AFOSR)
875 N. Randolph St, suite 325
Arlington, VA 22203

SUBJECT: Budget Reductions

1. This memo is being sent to all Air Force Office of Scientific Research (AFOSR) Contract and Grant recipients. As you are likely aware, the President was required by law to issue a sequestration order canceling approximately $85 billion in budgetary resources across the Federal Government for the remainder of the Federal fiscal year. We are writing to provide you with notice that your grant or contract may be impacted by cuts to AFOSR’s budget.

2. At this time, AFOSR is taking every step to mitigate the effects of these cuts, but based on our initial analysis, it is possible that your contract or grant may be affected. In addition, planned actions for new and existing work may be re-scoped, delayed, or canceled depending on the nature of the work and the degree to which it directly impacts AFOSR’s mission goals.

3. To the extent that your contract or grant is affected due to these budget cuts, you will be contacted by your Contracting or Grant Officer with additional details. If you have any questions, please contact Mr. Carl Atkinson at 703-588-1930.

Sincerely,
